

THOUSANDS Of Happy Pet Owners Agree:

We Are The ULTIMATE PET RESOURCE

In The DFW Metroplex!

You Can Adopt A Pet That Is Already Spayed/Neutered, Current On Vaccinations, Heartworm Preventative & Possibly Already Trained - All At FRACTION Of The Cost Of Other Sources!

Here Are A Few Reasons Why...

Pure breeds, lovable mutts, puppies, kittens, already-trained adults and senior pets, plus ferrets, rabbits, birds and much more...you can find them all at DFW-area rescues. If you are searching for a particular breed, there is, most likely, a rescue group for it.

Unlike many other places that you can find a pet, rescue animals are not merchandise to be sold. Rather, they are wonderfully innocent creatures that we have nurtured, trained & taken into our hearts & homes. Our goal is to find well-suited, permanent homes, where everyone is happy - not to simply "move" animals for profit's sake.

Because of the way non-profit rescues are set up, we are in a unique position to be able to assess each animal's personality, areas where training is needed, and to know what type of home environment is best-suited for each individual animal. Rescue groups are also able to provide an ongoing support system for adopters.

You have heard stories in the news: homes raided where animals were found either dead or in deplorable conditions. This is the reality of puppy mills, who supply pet stores. It is often the reality of backyard breeders who are more interested in the bottom line, than in the well-being of their animals. Is this a "business" you want to support?
